## Class Descriptions

### Obedience Trial - Non-Regular Classes

#### Beginner Novice Class.

The Beginner Novice class shall be for dogs that have not won the BN title. If eligible as defined in the obedience regulations, dogs entered in Beginner Novice A or Beginner Novice B may also be entered in any other obedience classes.

**Beginner Novice A Class.** To be eligible for Beginner Novice A, a handler must own the dog entered, or be a member of the owner's household or immediate family, and may not have previously handled any dog that has earned any AKC Obedience title. Owners may enter more than one dog in this class. No dog may be entered in both Beginner Novice A and Beginner Novice B at any trial.

**Beginner Novice B Class.** The owner or any other person may handle dogs in this class to earn a BN title. Owners may enter more than one dog in this class. No dog may be entered in both Beginner Novice A and Beginner Novice B at any trial.

#### Veterans Class.

The Veterans class will be for dogs that have an obedience title and are at least 7 years old on the date of the trial. The exercises will be performed and judged as in the Novice class. Dogs may be entered in another class or classes. At breed specialty trials, the minimum age requirement for the Veterans class may be set by the breed Parent Club, in which case the age will be stated in the premium list.

#### Team Class.

The Team class will be for teams of any four dogs that are eligible under these regulations. Five dogs may be entered, one to be considered an alternate for which no entry fee will be required. However, the same four dogs will perform all exercises. Dogs may be handled by the owner or any other person, need not be entered in another class at the same trial, and need not have obedience titles. A separate official entry form will be completed in full for each dog entered.

#### Brace Class.

The Brace class will be for two dogs of the same breed or two dogs listed with AKC Canine Partners of similar height at the withers that are eligible under these regulations and capable of performing the Novice exercises. The dogs need not be owned by the same person but will be handled by one handler. Dogs may be shown unattached or coupled (the coupling device will not be less than 6 inches in overall length). Whichever method is used will be continued throughout all exercises. A separate official entry form will be completed in full for each dog entered. Exercises, performances and judging will be as in the Novice class. The brace should work in unison at all times. Either or both dogs in a brace may be entered in another class or classes.

## Class Descriptions

### Rally Trial - Non-Regular Classes

#### Rally Team Advanced.

For the non-regular Rally Team Competition, any of the regular rally class levels may be offered. Teams will consist of four handlers with a total possible score of 400 points for each team. All team members will run the course individually, with the team time running continuously. Time will start when the judge gives the first member of the team the forward command from the "Start" sign. The subsequent dog for each team starts when the previous handler for the team passes the "Finish" sign without an additional command of "Forward" by the judge. Timing for each team will begin when the judge commands the first handler in the team to begin with the command "Forward" and will stop when the fourth handler from the team passes the finish line. If jumps are required, they will be based on the height of the smallest dog on each competing team.
